ORDER:-

In the letter read above, the ENC (R&B) SR, Hyderabad has stated that ROB Link road in Warangal town limits is an important 2-Lane MDR having a length of 5.650 Kms. This road connects Hunter road, State Highway Rayapatnam - Kodad road and Kadipikonda - Warangal road. This road caters the present traffic volume of 36580 PCUs per day. This road mainly connects Kazipet-Hanamkonda-Warangal town and also serves as a bye pass road to the Warangal town. The existing connecting roads i.e. Hunter road and Rayapatnam-Kodad roads are Four lane roads and this road is existing with two- lane width only. As such due to narrow width of the road, accidents and traffic jams are taking place and also traffic congestions are taking place frequently due to plying of heavy vehicular trucks/ multi axles vehicles. Apart from the above lot of educational institutions and industries are established on this road. Hence, it is necessary to widen the above road in Warangal town from 2 lane to 4 lane. Also Sri Basavaraju Saraiah, Hon'ble Minister for B.C. Welfare, has requested the Hon'ble Minister, Finance for sanction of this work.
